Dear Finalists,

Greetings from Odoo!

Important:

- 1) Kindly read the FAQ document attached to this email. It will help you prepare better.
- 2) We highly recommend attending the virtual meeting session scheduled for tomorrow.

As the final round of the Odoo x LDCE Ahmedabad Hackathon '26 approaches this coming weekend, we believe that conducting a pre-briefing meeting will help clarify expectations and ensure that all participants are well prepared for the finale.

This session is specifically organized to address your **technical queries related to the final round** and to provide clear guidance about the expectations from the Odoo jury.

We strongly encourage all finalists to attend this session to gain better clarity and make the most of the finale experience.

Meeting details are as follows:

- You can join either of the sessions (session 1 or session 2)
- Make sure to join on time
- Maximum capacity per Google Meet session is 100 participants. Hence, first come first serve basis, you may join.
